

Pulvex Dog COLLAR

Reg. No. G3839 Act 36 of 1947

FOR SMALL/MEDIUM DOGS

WARNINGS

Keep out of reach of children, uninformed persons and animals. Do not use on puppies under the age of 3 months. Do not use on sick or convalescing dogs. Do not eat, drink or smoke while fitting the collar, until hands have been washed thoroughly. Care should be taken to prevent powder from getting into the eyes. In the case of contact with eyes, flush well with water. Although this remedy has been extensively tested under a large variety of conditions, failure thereof may ensue as a result of a wide range of reasons. If this is suspected, seek veterinary advice and notify the registration holder.

PRECAUTIONS

Do not open protective pouch until the collar is to be used. Do not shake off the powder formed on the collar during storage. Keep collar out of the mouth as it is harmful when swallowed. Remove collar at the first sign of skin irritation or any other adverse reactions. Whilst the collar is being worn, only use other pesticides if in accordance with label directions of the other pesticide. Remove collar when bathing dog. Only use products on dogs that specifically state 'for use on dogs'.

NOTE TO PHYSICIAN

This product contains a carbamate insecticide. Atropine is antidotal.

DIRECTIONS FOR USE

USE ONLY AS DIRECTED.

Buckle the collar around the dog's neck. The collar should be worn loosely to prevent irritation. Cut off excess length. Replace collar when release of powder no longer occurs.
