• DRAIN CLEANER
• DEODORISER

DANGEROUS CORROSIVE **750ml**
Act 29GNR529/238307/072/907

DRAIN POWER  **3IN1**

- GERM KILLING
- DRAIN CLEANER
- DEODORISER

Warnings:
Handle with care. This product is corrosive. Keep out of reach of children and store with childproof cap securely closed. This product should not be mixed with any other substances. To avoid splashing do not use a plunger or aerosol drain cleaner after use. Avoid any contact with skin, eyes and clothing. Wear appropriate personal protection equipment. In case of contact with the eyes or skin, rinse immediately with lots of water and seek medical advice. Avoid inhalation of the fumes. Store in a cool, dry place below 30°C.

Daily
Carefully pour 25ml Drain Power into the kitchen and bathroom plug holes every night and rinse with a cup of warm water. This will kill germs and prevent blockages and will ensure an odourless environment the next morning.

For blocked or slow running drains
Pour one third of the contents (250ml) down the drain and allow to stand for 30 minutes before flushing with warm tap water. For tough blockages, leave overnight and then flush. A second application may be required after 24 hours.

Active Ingredients
Sodium hypochlorite; Range 5 - <10%
Sodium hydroxide; Range 1 - <2.5%
