

# ONE SHOT

## DRAIN UNBLOCKER

*Removes blockages caused by grease, food, hair and soap. Suitable for use in kitchen, bathroom and outside drains.*

### DIRECTIONS FOR USE:

1. Remove any excess water above the blockage.
2. Empty total pack contents into the drain opening.
3. Slowly add 2 cups of cold water.
4. After 15 minutes flush with plenty of cold water.

### WARNINGS:

**Store in a cool, dry place. Product may cause severe burns. Keep out of reach of children, uninformed persons and pets. Wear suitable protective clothing. Do not use on aluminium, soft plastics, fibre-glass surfaces or porcelain, or with other drain cleaners.**

Contains sodium hydroxide, sodium nitrate and aluminium. In the event of ingestion, inhalation, skin or eye contact, seek medical advice immediately. Wash eyes and skin with lots of cold water for at least 10 minutes, after contact. If ingested give 2 glasses of cold water but do not induce vomiting. Contact with water liberates flammable gases. Contact with combustible materials may cause fire. Dispose of packaging in a safe manner.
